Phillips Partners Architects Lauds Summit GC Skills In Attacking Difficult Project Issues

Summit Contractors Group / Jacksonville, Florida – December 2008... Phillips Partnership Architects paid special attention to how Summit Contractors Group handled some extremely difficult site issues regarding The Preserve at Greison Trail apartment project in Newnan, Georgia. The result was a recommendation letter complimenting the Jacksonville, Florida based general contracting firm for a difficult job well done. With several complicated site and plan requirements, Summit shined while also boasting bringing the project to completion a full two months ahead of schedule, representing a significant saving to the developer of record.
