ppicm.com

PPI Construction Management is entering our third decade of service to public and private sector clients. PPI continues a tradition of excellence by providing a comprehensive bundle of services matched to the needs of each and every one of our customers. These services include, but are not limited to, project planning, budgeting, estimating, cost management, project scheduling, construction and project closeout. We are a dedicated team of professionals who commit themselves daily to provide that winning edge for educational, healthcare, senior living, institutional and governmental clients throughout Florida and Georgia. The PPI team remains focused on maintaining an industry leading level of customer service and delivering facilities that meet the unique needs of those that entrust us with their business
